NOTICE

Respected Parents,

We have already put under your notice that scrutiny of **LOC (X & XII) must be done by both students and their parents.** However, a few parents have turned up for the same. Therefore, this is more to goad you with a note of its implication. Please get it done.

Final submission after your authorisation will not provide any passage of rectification. Hence, we again request you to consider it with the most of your attention and priority. We as office bearers had filed everything as per the documents furnished at STD IX and XI. This supervision is to extract any hidden mistake (Name of the student, Parents' Name, DOB, Subject Choicest, Gender etc.) so that our students do not face any challenges in the days to come.

Another reminder is to share with you that we have limited time slot. Therefore, in the previous notice, a duration is mentioned. We request our parents to complete this procedure as soon as possible. **Parents can come this Saturday (14-09-2024),** which is declared a holiday by the Government, to pick up your child after the examination and authenticate the details as reflected in LOC.

Please Note: A delay from the other side will definitely affect our compiled tasks required to upload that file. If parents do not turn up, the school will be sending the same file to the board disowning any casualty.
