NOTICE

This is to inform you that we are running well as far as the first three weeks are concerned though some unavoidable circumstances like heat wave shatter the smooth going of our schedule. **Many changes, inside and outside, are always milestones to indicate the destination either close or far.** Stability around changes is a positive signal. However, we began this academic year with a promise of betterment. These promises are:

i) **Already Done:**

- A) Stability from all aspects is one such betterment. **All teachers except 3 (Nandita Madam, Kazi Madam, Payel Madam) are with us.** Rest all are new teachers for increasing sections who hail from reputed institutions.
- B) Within April, we have already admitted **210 new students** like last two (2022-2023) and (2023-2024) academic years. We need 50 more to be of four-digit (1000).
- C) We have launched **eight new 55-inch television** sets in our Class rooms of Foundation Division. **Some extra fans (Approx 30)** are already hung to sprinkle our young minds under this humid weather.
- D) **Two Audio-Visual rooms** are furnished along with **2 (moveable) 55-inch television sets** for III-XII. **20 new systems in Computer Lab** have been cultivating the technical mind of the students.
- E) We furnished 10 classrooms with **200 (156 for Senior Students and 44 for Foundation) new desks.** Students are mothering more than **60 saplings on corridors.** We would like to 'go green' in future.
- F) Last year, more than **18 candidates were selected for State Level in different disciplines Sports.** CBSE Kabaddi Cluster had witnessed us as Second Runner up at Chhattisgarh.
- G) **Ground is getting ready.** Fence-work is ongoing.

ii) **To be undertaken soon:**

- a) Very soon, we will start the flooring task for the library. Tiles have already reached from Morbi, Gujarat. We hope to complete it as soon as possible.
- b) The playground is chalked out with some identified courts like Volleyball, Badminton, Kabaddi etc. so that children get the advantage of the ground.

iii) **In thought process:**

- a) One **Multipurpose Hall** to be ready with full **Air Condition**
- b) One **Basket Ball** court
- c) **Four new vehicles** (25-seater) to cover Sainthia
- d) **Strong sound system** for our **Morning Prayer** so that every day seems a stage-presentation for our children.

However, we may fall short of your expectations. **Each and every school has its own positive and negative.** We are not an exceptional. But **we do not leave an inch to serve our kids. We are perhaps one of such rare schools where teachers along with non-teaching staff members stand at the doorstep to lap their children both in the beginning and at the end of the working days.** Still, we need your opinions to make it better. We will welcome your suggestions and materialize it if it fits into our policy.

Please write **your feedback** to us (gps@gitanjalischool.in). **If you want the management to know your concern/suggestion, please use the Suggestion Box.** Drop you concern/demand/anything that you wish to convey. Only the management can unlock it. **Let us repeat once again that do visit us after school hours if anything goes wrong without any scheduled date of PTM in school diary. Truly, when one says, it propels and when many say, it repels.**
