NOTICE

This is to put a special reminder to those who are **habituated to be late**. Our **Arrival time i.e. 7:50 a.m** is neither too early nor too late. Therefore, parents are requested to send students at a punctual hour because it is the first step of being disciplined. **Please note that we will not allow students to attend classes if they remain late and the main gate gets closed.**

Besides, private cars are getting late for the same reason. The question is why Sainthia Students get late while other students/vehicles are mostly on-time if not blocked by Rail Gate. Lack of consistency of drivers has led us to a major concern for some of the private vehicle owners. Do talk to them or send your child on time so that we do not engage ourselves for unnecessary hassle with Private Vehicle owners.

We are in the process of taking over Sainthia by our School Transport in the next academic year 2025-2026. **If we can arrange, Private Vehicles will not be allowed to pass through our school gate.** This forces us implement because we are tired of getting complaints from parents/guardians availing private transport.

We need our attention to this matter.
