NOTICE

We wish to bring to your attention a recent **circular** issued by the **CBSE** regarding **attendance requirements for examination**. As per the directive, students must maintain **a minimum of 75% attendance to be eligible to appear for the exams**. This is a crucial reminder as attendance plays a vital role in academic success and ensures students are adequately prepared for assessments. We kindly urge you to encourage your child to prioritize attendance and engage actively in their academic journey. Your cooperation in ensuring your child meets the attendance criteria is greatly appreciated.

Our recent result analysis approved it with evidence that regular students are better performers. However, to prevent this tendency of irregularities, we must sink in with the CBSE circular.

Thank you for your attention to this matter.
