## NOTICE

Dear Parents and Guardians,

We are pleased to announce the appointment of a distinguished professional to our team at Gitanjali Public School. **Priyanil Pal Sir**, a highly respected **counselor** with extensive experience in clinical psychology, will be joining us to address a critical need in our community. His work, in collaboration with several eminent doctors in our district, underscores the importance of mental health awareness, especially within our educational environment.

In response to CBSE's emphasis on mental health and the rising concerns about deteriorating life patterns affecting our youth, Priyanil Pal Sir brings a wealth of expertise to help safeguard the well-being of our students. His role is pivotal in providing the necessary support and interventions to nurture and protect the mental and emotional health of our children.

We recognize that effective counseling requires a collaborative approach involving both parents and teachers. To this end, we will be **organizing an ONLINE session today at 6 pm in the evening** where Priyanil Pal Sir will introduce his areas of expertise and discuss how we can work together to address and manage the challenges our students face. This initiative reflects our commitment to fostering a supportive environment that ensures the holistic development of our students.

We look forward to your active participation in this crucial endeavour.

Warm regards,
