NOTICE

We are thrilled to announce that our **school will be reopening** in full swing after the summer vacation **on Wednesday, June 19th**. In order to ensure a safe and organized return, we have decided to continue regular pattern of schooling i.e., **5 Periods** except Nursey. **(7:45 am -11:30 pm)** for **Foundation Division (NUR-II)** and **8 Periods (7:45 am - 1:30 pm)** for **Main Building (III-XII)** in order to avoid any academic loss. Each slot will have specific start and end times to manage the flow of students effectively. With full awareness of this inclement weather, we are compelled to continue classes so that academics remain unaffected.

Please refer to the schedule provided to you for your designated slot. It is crucial that students arrive on time and adhere to the allocated time slot to maintain a smooth reopening process. Our priority is the well-being and education of our students, and we are committed to providing a conducive learning environment.

We look forward to welcoming all students back to school on the **19th of June**. Let's make this academic year a successful and enriching experience together.
